"One of the grandest projects in the entire country is Mt. Beautiful."

**Mt. Beautiful
Pinot Gris 2014**

**90
POINTS**

"The 2014 Mt. Beautiful Pinot Gris is a dry, medium-bodied white wine with energetic acidity and a rich, slightly waxy-like texture. Its aromas and flavors suggest ripe pear, apple, and floral notes, and these are pronounced enough to make for a satisfyingly flavorful wine.

At \$19, this is an affordable wine for many wine drinkers, and it is certainly delicious enough for just drinking without thinking. But for Pinot Gris aficionados or for thoughtful tasters, it delivers intrigue and food for thought along with the sheer pleasure of the drinking."
