"A beautifully styled pinot, the inviting bouquet shows red/black cherry, raspberry, mixed spice, cedar and floral aromas, followed by a finely textured palate that is rounded and refined. The wine exhibits excellent fruit concentration and purity, wonderfully enhanced by seductive savoury undertones, making it highly attractive. At its best: now to 2021."

"Very fruity, ripe and varietal bouquet with dark cherry and raspberry fruits, plum and wild red florals, mineral and toasty wood tones. Very youthful and tense on the nose, but with complexity leading to high expectations on the palate. Mineral, plums, dark cherry and wild berry fruit flavours, dry and spicy with toasty wood tones; medium+ tannin impact with velvet to course silk textures; youthful, tense and lengthy. A wine requiring cellar time and some peace and quiet to find harmony – which it will. Decant for service, best drinking from 2018 through 2026."

"This is an elegant, gently sweet-fruited Pinot Noir with red berry fruits and dark herbs with light tannin structure and grip and a fresh palate. Serve with poultry and pork over the next 4-5 years. Hand-picked fruit, a mixture of 11 clones, but predominantly 667 and 777, fully destemmed and fermented to 14.0% alc., the wine aged 10 months in 25% new French oak. 2,780 cases made."
