“Smooth and lush with crisp and lively acidity; rich and dense, ripe and long.”

“Distinctive bouquet with layers of mineral and stone then ripe citrus and tree fruit aromas, soft passionfruit and floral notes add depth and complexity. On the palate – just dry and ripe, plenty of acidity gives a crisp and refreshing bite, flavours of hay and, ripe bell pepper and peach and passionfruit, a light mineral quality follows adding length and depth. A really lovely wine with a distinctive NZ cool climate feel with a juicy core of fruit.”

 Wine Reviews*

“Bright, even straw-yellow colour with lemon-green hues. This has an elegant, tightly bound nose, quite slender in presentation, with aromas of cut grass and nettles, and subtle notes of gooseberries, green stone fruits and suggestions of green bean. The aromatics display cooler spectrum elements. Dry to taste and medium-full bodied, the palate possesses cooler spectrum flavours of cut grass, nettles and green stone fruits, along with fresh herbs and nuances of green beans. The mouthfeel is fresh, elegant and zesty with fine, lacy acidity, and the wine flows along an elegantly proportioned and fine-textured line, leading to a thirst-quenching finish. This is a cooler spectrum Sauvignon Blanc with cut grass, nettle and gooseberry fruit, and suggestions of green beans on an elegant, zesty, mouthwatering palate.”
