MaryAnn Worobiec,
 Wine Spectator

"This ripe and fleshy version shows terrific precision, with honeysuckle overtones to the peach, lemon and melon flavors. Roasted herb and mineral accents linger on the finish.

Drink now."

Meridith May,
 The Tasting Panel

"With its iconic beeswax scent, this Southern Hemisphere "beauty" also shows off lemon curd and white petals. The perfumes carry through and, with each sip, intensify the flavors. Rich, honeyed pineapple and clean vanilla slide across the mouth."

Sam Kim,
 Wine Orbit

"It is fabulously aromatic on the nose showing nectarine, rockmelon, lime zest and floral characters. The palate delivers excellent concentration and fruit purity, together with subtle spice complexity, enhanced by whispering sweetness and fine texture. The wine finishes superbly long, silky and juicy, backed by bright acidity. Medium-dry. At its best: now to 2022."
