 The Shout*

"Really nice bouquet of Pinot Noir with a complex toasty, nutty, oak layers between aromas of red berries and a savoury mineral core. Dry on the palate, packed with flavours of red berries, dark plum and savoury oak spices - the complexity continues through the palate. Abundant fine tannins and acidity to match. Youthful, fresh, firm and tasty. A wine that will continue to age well for some time. Best drinking 2021 through 2029."

 Wine Reviews*

"Moderately deep red colour with ruby hues, lighter on the rim. The nose is soft and somewhat restrained in expression, showing light aromas of dark-red cherry and berry fruit along with delicate nuances of fresh herbs, red florals and nutty oak. The aromatics build in depth with aeration. Medium-bodied, the palate has medium-deep flavours of red cherry and berry fruit along with subtle notes of fresh herbs, some light, nutty oak, unfolding lifted red florals. The fruit forms a soft-textured core with light, grainy tannins lending presence to the mouthfeel, the acidity integrated and balanced. The wine carries softly to a gentle finish of red fruits and florals. This is an elegantly fruited Pinot Noir with red cherry and berry fruit with herbs, oak and floral notes on a soft, grainy-textured palate. Serve with poultry and pork over the next 4 years. Predominantly clones 667 and 777 with up to 11 other clones employed, the fruit hand-picked and fully destemmed, and fermented to 13.0% alc., the wine aged 10 months in 20% new French oak barrels."

"Light, bright, fresh and supple pinot noir with raspberry, cherry, blueberry, herb, spice and anise flavours supported by tangy acidity and light, peppery tannins. An accessible wine with moderate potential."
